

South Dakota Electronic Lien and Title Lender Application

This application, which must be submitted to the Department by the Provider on behalf of the lender, is to be used by any company that is in the business of lending money to enroll, cancel, or change information in South Dakota's ELT program. If the lender has multiple branches and wishes for each branch to

have an account, complete the additional branch worksheet attached to the application. Any title that is issued with a lien after implementation will be issued electronically and no lienholder notifications will be sent. A VIN Inquiry Search function can be used to confirm notation of a lien on the Department website for non-participating lenders.
